HENRY KOEHLER TO RETURN JULY 21

Henry Kohler, the friendly driver for Service Bakery at Tinley Park, and who has gone to Germany for a visit, writes to Fred Fremder, the owner of the bakery, that he sends greetings to his friends. He would like to write to each one, but that is too huge a job.

Henry will leave Hamburg, Germany July 18, by plane, and arrive in Tinley Park July 21. He writes he will be glad when he is back in the United States again. All his friends will be glad to see him back.

You Have to go Fishing To Get a Fish Story; The Same as Henry

By THE OFFICE BOY

Well, sir, last weekend I went fishing and caught some, too. I was mooching around Tinley on Monday telling everybody I knew the size of the string I caught. Pretty soon I run across Mr. Henry Bettenhausen of the Bettenhausen Hardware and I started to tell him my fish story, but he stopped me right there.

"He says, Sunny, you don't know what fishing is around these parts. . . you should go up in Wisconsin to Spider Lake. Why I caught a 33-inch way up there, and on a bamboo pole, too. I says, Mr. Bettenhausen, that's a real story that I could tell, and I suppose you caught it using dough-gob for bait?" He said, nope, a live minnow.

Well, sir, I was pretty doubtful about the story and I said, "I'll bet you don't have a picture of you and the fish." Mr. Bettenhausen sort of glared at me and said, son, I've done better than that! You just march yourself over to the Tinley Park Hardware store and look for yourself—I've entered it in their fishing contest!

Well, anyway, I beat the odds over to see Mr. Smith, the manager of the Hardware store, and asked him to see the fish that Mr. Bettenhausen caught. And sure enough, there it was, and the tag on it said, "Henry Bettenhausen, 33-inch, eight pound Musky. Caught at Spider Lake, Wis., with a live minnow." But it didn't say anything about the bamboo pole. And while I was there I looked over a Bullhead that weighed a pound and a half, caught by Ben L. Bettenhausen at Culver Lake, Ind. with a minnow.

C. U. Later, P. S.: I suppose Mr. Henry Bettenhausen was being a true fisherman, giving me that yarn about the bamboo pole, then again maybe he DID, but I never had such luck. But it sure is nice the way these Tinley Park merchants stick together. Maybe that's why the town is growing so fast.

NAVY MAN DIES WHEN TRUCKS HIT NEAR FRANKFORT

Ernest Stripling, 25, Engineman 2-c of Jacksonville, Fla., a Navy truck driver was pinned in his cab and burned to death last Friday night when his tractor-trailer burst into flames after ramming another Navy truck on Route 45, a mile west of Frankfort.

Stripling and James Pruitt Jr., 23, Engineman 3-c of Memphis, Tenn., were driving navy semi-trailers with dismantled aircraft. They were enroute to Glenview air station from Naval air station at Memphis.

According to Will county authorities Pruitt who was in the lead, slowed down to about 20 miles an hour as he approached the Michigan Central viaduct across the highway, as he feared the truck might not clear the overpass. They were going north.

Evidently Stripling did not notice that Pruitt had slackened his speed and was unable to halt his machine before hitting the trailer ahead. He plowed into the rear of Pruitt's truck, with the cab running under the rear of the trailer. The impact sent the Pruitt machine across the highway and Stripling's cab telescoped and ignited.

The impact threw Pruitt forward and his head struck the windshield knocking him unconscious. When he recovered he saw Stripling's truck on fire and grabbed the fire extinguisher on his truck and ran to Stripling's and attempted to smother the flames and remove Stripling. His efforts were in vain and as he fought the flames the gas tank exploded knocking him unconscious again and throwing him along the bank of the highway.

Earl S. Nelson who lives near by, heard the impact and looked out his window and when he saw the flames he called the gasoline station corner routes 45 and 30, who in turn called the Frankfort fire department which extinguished the flames. The fire department notified the sheriff's office and the Glenview air station. The Will County deputies were requested to remain on duty until the navy authorities arrived.

Coroner Willard Blood who was called to the scene stated he believed Stripling was dead before the fire started in his cab. The steering wheel had him pinned to the seat. Stripling's body was taken to the Glenview station and from there sent to his home in Florida. His body was charred beyond recognition.

Pruitt had been in the navy for six years.

CORN BORERS MAY BE BAD THIS YEAR

Corn borers have a terrific advantage this year, and there can easily be many more of them in 1949 than in past years.

G. C. Decker, insect specialist in the Illinois College of Agriculture and Illinois Natural History Survey said today that corn planting this year was the earliest on record in recent years, and the borers are developing a week or ten days later than last year.

This makes an ideal situation for severe borer damage, because the taller the corn, the larger the number of borers that survive.

Decker says, "If you planted corn early and it's growing fast, I'd start thinking about using chemicals to control corn borers. Get the insecticides and make arrangements for dusting or spraying. When egg-laying starts, watch the corn closely and treat it if necessary."

Decker admits it is possible, if not highly probable, that heavy rains and winds will kill many borer moths and eggs. But he says his advice is to hope for the best, but be ready for trouble.

Earl Cross Completes Modern Broiler Plant

Mr. and Mrs. Earl Cross, who operated a broiler plant in Tinley Park for many years, are just completing the erection of a modern broiler plant on 159th street and Bell road.

This plant having the capacity of 12,000 chicks, is considered the most modern of such plants in this section. It was designed by the Jamesway Mfg. company. The Crosses sell broilers to many hotels, restaurants in Joliet, Chicago and other cities.

Fire Lads Champions? Win Every Fight So Far

Two Big Days at Frankfort Grove Are Planned by Joint Committee

Seven VFW Members From Mokena Attend Ill. State Convention

Illinois members of the Veterans of Foreign Wars open their 30th annual convention at Springfield, Ill., Friday, July 15.

At the same time, the Ladies Auxiliary of the overseas veterans organization will hold its yearly meeting in the state capitol city.

State Commander Henry L. Warner of Maywood said that more than 2,000 delegates representing the 520 VFW posts throughout the state are expected to register for the convention. An additional 3,000 members of the VFW and its auxiliary are expected by officers of the organization to be on hand for convention festivities over the week end.

Delegates from Mokena to the convention are Marshall Muller, Glen Petersen, Fred Hentsch, William Westman and Commander Eino Sarrela. The delegates from the VFW auxiliary named are Mrs. Fred Hentsch and Clara Stankus.

Business sessions are scheduled to occupy the VFW delegates on Friday afternoon and Saturday morning. On Saturday afternoon, however, the veterans will stage a parade through Springfield's business section. The annual parade has always been one of the highlights of the convention, VFW officers said. A competition of VFW musical units, including bands and drum and bugle corps likewise will be held Saturday and in the evening a patriotic pageant and fireworks exhibit will be presented to the public.

New officers for the next 12 months will be elected by both the VFW and Auxiliary at morning sessions, Sunday July 17.

UNDER THE CROSS OF MALTA

Members of the VFW turned out in force Sunday morning and afternoon to lay the sub-floor on their new building on Wolf road. It is now completed and next in line will be roofing over the building, then the basement floor of concrete can be poured.

A dance is scheduled for Saturday, July 30 at Frankfort grove, sponsored by the local post of the VFW. Funds derived from this dance will be used to buy instruments for the planned Mokena Drum and Bugle corps.

DOUGHNUT MONEY GOES TO CAMP

July 5th did not arrive too soon for more than 225 children and mothers in the Chicago area. On that date they left to spend a nine-day vacation at Camp Wonderland, The Salvation Army's 77-acre camp located six-miles northwest of Antioch, Ill.

Two days later 125 Boy Scouts and Girl Scouts from the Army's Scandinavian department arrived at Wonderland, headed for Shagbark, the section of the camp designed especially for them.

With the arrival of the two groups, Camp Wonderland's 1949 season opened officially to run until Labor Day.

In operation for more than 25 years, Camp Wonderland has 82 buildings scattered over the rolling woodland property. Much of the thoughtfully-supervised recreation centers around the beaches on the large lake.

Before going to camp, each guest had a thorough physical examination at the Army's Dispensary, 426 Wisconsin St. Special food and medical care are provided at the camp for those who need them. A final physical check-up is given all campers at the close of the vacation period, and the records are then forwarded to the Army clinics in Chicago so that follow-up care can be given if necessary.

Guests are chosen by the Army's Family Service department on the basis of need for a vacation, without distinction as to race, creed or color. Referrals are accepted from the city's other social agencies, and ten agencies were well represented in the first camp period alone.

A modern, well-equipped nursery in Mothers and Babies section of the camp relieves mothers of the care of even the tiniest babies. A trained nurse is in charge and supervises preparation of individual formulas.

The Central Music Institute for approximately 100 young musicians from Illinois, Indiana, Michigan, Wisconsin, Nebraska, Iowa, Minnesota, Missouri, North and South Dakota will be held August 19-29. Participants are selected on the basis of musical ability and advanced credits earned at other summer camps maintained by the Army in the north central states.

If you are wondering what happens to the contribution you made on Doughnut Day—Camp Wonderland is one of nearly 100 social services provided by the Army which are supported partially by the funds raised on that day.

IN MEMORIAM

NIEDRINGHAUS, WILFRED. — In loving memory of our dear son who passed away three years ago, July 15, 1946.

Loving thoughts shall always wander
To the spot where you were laid.

Kenneth Rauch, son of Mr. and Mrs. Philip Rauch of Orland Park is visiting at the home of his uncle and aunt Mr. and Mrs. Milton Subbert and family for a few days.

Showers for Bride-Elect

Several showers were held recently in honor of Miss Kathleen Batson, daughter of Mr. and Mrs. Edward Batson of Green Garden, who will become the bride of Mr. Harris Koehn, son of Mr. and Mrs. Herman Koehn of Peotone. The young couple will be married at 7:30 p.m. on Sunday, July 17 at the Peotone Evangelical and Reformed church with the Rev. E. Plassmon officiating. Everyone is welcome to attend. Following the ceremony a reception will be held for the guests in the church parlors.

On Friday, July 8 at 8 p.m., Miss Batson was honored at a linen shower given by her sister, Miss Bonnie Batson and Miss Marilyn Schoop of Manhattan in the home of the former's parents, the Edward Batsons. Crash bunco was played with prizes awarded to Mrs. Herman Koehn and Miss DeLores Rauch of Orland Park. The bride-elect received duplicate prizes. Gifts were presented to Miss Batson from beneath an umbrella decorated in the bride's colors, orchid and green. Refreshments were served to 22 guests present.

Saturday afternoon at 1:30 p.m. Miss Batson was the honored guest at a miscellaneous shower given by Mrs. Harry Voight and Mrs. Laverne Koehn of Peotone in the Beecher Community town hall. The future bride was presented a corsage of American Beauty rose buds. Bunco was played at 15 tables with prizes awarded to Mrs. Glenn Vallow of Peotone and Mrs. Hazel Kannberg of Manteno, with duplicate prizes awarded to the honored guest. The gifts were presented to Miss Batson from a table covered with an umbrella with streamers attached to a sprinkling can over it decorated in the bride's colors of orchid and green. Refreshments were served to the 60

guests present from Beecher, Peotone, Grant Park, Blue Island and Manteno.

Mr. and Mrs. Harold Meadows are the parents of a five pound son born July 5 in Silver Cross hospital. The infant has been named Michael Earl. Mrs. Meadows will be remembered as Miss Audrey Wenzel.

Mr. and Mrs. William Bettenhausen accompanied by the former's mother, Mrs. Mary Bettenhausen, motored to Princeton Sunday to spend the day with Mr. and Mrs. Forrest Steele.

Miss Geneva Klepper and Mr. Elmer Grendheim of Joliet were quietly married Saturday evening at 7:30 o'clock in the Frankfort Evangelical and Reformed church by Rev. Erich Bizer. The attendants were Mr. Richard Grendheim, brother of the groom, and Mr. and Mrs. Henry Pederson of Joliet.

There will be no Sunday school or worship services in the Frankfort Evangelical church Sunday, July 17. Edward Tewes is nursing a very sore finger tip which he had the misfortune of smashing recently, when he got it caught in a spring of a cultivator that was being taken off a tractor. He is convalescing nicely.

Mr. and Mrs. Harry Tewes were Sunday afternoon guests of the latter's mother, Mrs. Anna Waner of Peotone. Mr. and Mrs. Herbert Folkers, daughter Janet and son Herbert returned home last Tuesday evening after spending the holiday weekend at Indiana State Park at the Sand Dunes.

Miss Viola Lankenau spent the past weekend at the home of her brother and sister in law, Mr. and Mrs. Floyd Lankenau in Dearborn, Mich.

The Amite club met at the home of Mrs. John Weitendorf last Tuesday evening. The next meeting will be held at the home of Mrs. Henry Breidert Tuesday evening, July 19.

Mrs. Alfred Baumgartner and grand daughter Miss Lois Baumgartner of Virginia, Minn., arrived last Friday at the home of Mrs. Kate Lankenau for a week's visit with friends and relatives here.

The Men's Brotherhood of the Frankfort Evangelical and Reformed church chartered a bus last Friday evening to attend the White Sox ballgame in Chicago. About 45 attended the game.

Mrs. Fred Heisner and Mrs. Burton Breidert and son Bobby spent last Thursday at the home of Mrs. Harlow Jensen in New Lenox.

In a note from Mrs. John M. Clark at Marseilles, she states she had been visiting in the home of her son Dr. and Mrs. Floyd M. Clark at Danville. While there the temperature was 107 in the shade and rain then was needed very much. She said she was going home before she perished.

BUY OUR CHICKS

They live, grow, lay and pay!
We hatch all popular breeds.
The first 12 hours in a chick's life is very important. They should have rest. They should not be jugged around on a train, getting cold or overheated.

We hatch our own chicks, giving them the proper rest and care. When you get them from us, they are rested and ready to be fed. Our breeders are fed a regular breeding mash which assures you of a strong, healthy chick.

We also have a good supply of oil and electric brooders in various sizes; fountains and feeders. We manufacture a high grade feed for poultry and live stock and sell it to you wholesale. Give us a trial and buy the BEST for LESS.

From where I sit ... by Joe Marsh

Windy Sure "Stopped The Show"!

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the screen got a little streaky.

Before the Judge could touch the knob to bring it into focus, old Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Buzz Ellis had to come over and do a \$20 repair job. I understand

Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the urge to meddle. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clear "picture" of the real situation before we cause more harm than good.
